I am charging the public service commission with the responsibility of examining the cost increases which Dominion is asking for and truly evaluating the need for any rate increases. It is my understanding that they have promised to not raise rates after previous rate increases and yet they are back here asking for more. Please represent me by only allowing rate increases if they have lived up to their prior promises.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
